**ESSENTIAL, CURATED INFORMATION
TO HELP YOU NAVIGATE YOUR
TRAINING YEARS WITH CONFIDENCE**

Full access to NEJM Resident 360 begins when you create a user profile. Once registered, full access to all content is free and seamless through your institution's library.

You must log in once to NEJM Resident 360 from the campus of your institution or through a VPN, and we will recognize the IP address. After that initial log in, we will remember the association, and you may sign on from anywhere, on any device.

If your institution doesn't use IP-authentication or Athens, contact us at resident360support@nejm.org for assistance in obtaining an individual access token.

NEED HELP WITH REGISTRATION?

Confirm with your librarian that your institution has an active subscription. If you are still having problems with creating a profile or access, ask your librarian for help.
