LIBRI & CO.

* HOW TO FIND LIBRARY MATERIALS

Books and other materials can be searched through the **University of Padua's online catalogue** <http://catalogo.unipd.it/F/?func=find-b-0>. Most of library materials are available on open-shelves.

* BORROW A BOOK AND RENEW A LOAN

PhD can borrow up to 10 volumes for 30 days
PTeachers can borrow up to 20 volumes for 60 days. Both can renew books up to 5 time, via authentication in the online catalogue

* JOURNALS

The **Social Sciences Journal Library** subscribes to about 600 paper journals placed on open shelves. You can not borrow journals, but you can make photocopies in accordance with Italian laws

INTERLIBRARY LOAN

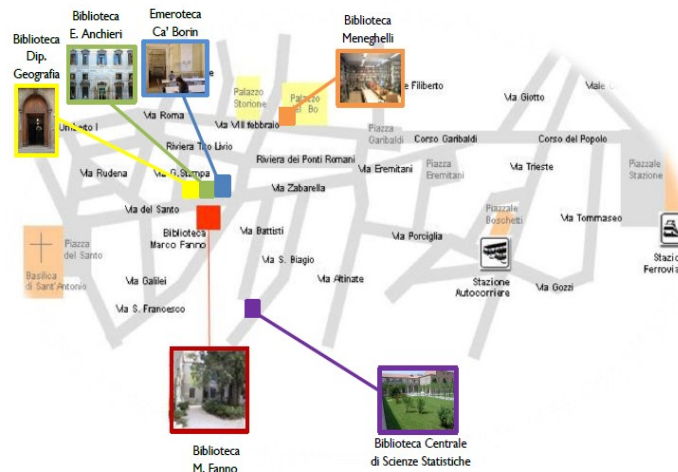

The interlibrary loan service retrieves books that are not present in the libraries of University of Padua. For further information or specific requirements you should contact the staff of [Central Office for interlibrary loan—UCPI](mailto:ill@stat.unipd.it) (ill@stat.unipd.it—tel.0498274105—4108).

ARTICLE REQUESTS

The service is aimed at teachers, researchers, PhD students and students of the social sciences limited to academic journal articles not found in the University. See web page dedicated to the service on the website of your library for more information and contact details.

WHERE WE ARE

All the Social Sciences Libraries are located in the center of the town

Transport information and itineraries are on the website of each library

SERVICES

DIGITAL LIBRARY: ELECTRONIC RESOURCES

All the electronic resources (databases, e-journals, online catalogues, etc.) available to the University of Padua's users can be searched and accessed through the **Digital Library** <http://bibliotecadigitale.cab.unipd.it/>

CONNECTION FROM OUTSIDE THE UNIVERSITY

The **Auth-Proxy** service provides access to electronic resources from outside the University network, from Italy and abroad. Further informations on the website of the Digital Library (*Servizi-Connesione da remoto*)

SAVE TIME: ASK A LIBRARIAN!

Research Librarians help people **find information** on a topic, develop research strategies for papers and projects, search library catalogs, article, databases, and the internet. We also answer questions about the **services and resources** of the libraries, provide instruction on the research process and the use of the library, refer people to information sources beyond the library.

DEPOSIT YOUR SCIENTIFIC PRODUCTION

Padua@Research (<http://paduaresearch.cab.unipd.it>) is the Institutional Repository for University of Padua Research Works. This Archive contains digital documents derived by the scientific activity of teaching staff, researchers and fellow-workers of this Athenaeum. In Padua@reaserch are also stored Ph.D thesis.

THE ITALIAN COPYRIGHT LAW

Information on PhD thesis, teaching materials and scientific publications on the web page **Copyright** by the University Library Sistem (<http://www.cab.unipd.it/node/1104/>) or on the website **The copyright in the University** (<http://dirittoautore.cab.unipd.it>) in the *Documentation* section.

POLO DI SCIENZE SOCIALI

⇒ REFERENCE MANAGEMENT SOFTWARE: REFWORKS

The University provides free of its institutional users RefWorks, a program for managing web citations with which to create personal bibliographic databases accessible from any computer connected to the network. More information on the web page *Digital library-Services-Managing bibliographies*
