# Registrazione in NCBI per gestire un proprio spazio

The screenshot shows the NCBI Sign in page. At the top, there is a navigation bar with 'NCBI', 'Resources', and 'How To'. On the right of the bar is a link 'Sign in to NCBI' with a red arrow pointing to it from a yellow box labeled 'Entrare in NCBI'. The main content area is divided into two columns. The left column is titled 'Sign in to NCBI' and contains two sections: 'Sign in with' and 'Sign in directly to NCBI'. The 'Sign in with' section has buttons for 'Google' and 'NIH Login', followed by a note for eRA Commons users and a link to 'See more 3rd party sign in options'. The 'Sign in directly to NCBI' section has input fields for 'Username' and 'Password', a 'Keep me signed in' checkbox, and a 'Sign In' button. Below these fields are two links: 'Forgot NCBI username or password?' and 'Register for an NCBI account', which is circled in red. A yellow box labeled 'Link per la registrazione' points to this link. The right column contains text about My NCBI, a 'My NCBI Overview' link, a list of features, and information for NIH funded investigators.

NCBI Resources How To Sign in to NCBI

## Sign in to NCBI

**Sign in with**

Google NIH Login

eRA Commons users should sign in via the NIH Login

[See more 3rd party sign in options](#)

OR

**Sign in directly to NCBI**

☒ Keep me signed in

[Forgot NCBI username or password?](#)

[Register for an NCBI account](#)

My NCBI retains user information and database preferences to provide customized services for many NCBI databases.

[My NCBI Overview](#)

My NCBI features include:

- Save searches & automatic e-mail alerts
- Display format preferences
- Filter options
- My Bibliography & NIH public access policy compliance
- Highlighting search terms
- Recent activity searches & records for 6 months
- LinkOut, document delivery service & outside tool selections

**NIH funded investigator?**

Extramural NIH-funded investigators looking for NIH Public Access Compliance tools should sign in using the "NIH Login" button. Use your eRA Commons credentials on the subsequent sign in page. Once signed in, navigate to the My Bibliography section.

Documentation for using these features is located in the [Managing compliance to the NIH Public Access Policy](#) section of the NCBI Help manual.

## Register for an NCBI Account

Skip registration by using a 3rd party sign in option

# Clipboard

Memoria temporanea (max 8 ore) in cui archiviare dei records che possono poi essere archiviati in modo definitivo in collections nel proprio account (My NCBI)

The screenshot displays the PubMed.gov interface. At the top, the search bar contains the query: ("Patient Education as Topic"[Mesh]) AND "Nurse's Role"[Mj]. The search results show 60 items, with the first three listed. A 'Send to' dialog box is open, showing options to send items to a File, Collections, Order, Citation manager, Clipboard, E-mail, or My Bibliography. The 'Clipboard' option is selected, and the 'Add to Clipboard' button is highlighted. The dialog box also indicates that 60 items will be added.
